

Eliminate the Risk of Costly Fines with HRAdvisor's

Free Online Compliance and HR Tools

RunPayroll Labor Law Compliance is Guaranteed for up to \$25,000

Now one simple online tool can eliminate your risk of incurring hefty labor law non-compliance fines while cutting your time spent searching and creating HR forms and procedures down to a few minutes. HRAdvisor — a free suite of online HR and compliance resources already integrated with your RunPayroll account — offers customized compliance posters, a complete library of pre-populated business forms, valuable best-practice guides and helpful alerts and reminders.

Use Compliance Posters to:

- Protect your business with a \$25,000 guarantee against non-compliance fees.
- Create a custom compliance packet appropriate for your business after completing a simple 1-screen online questionnaire.
- Download and print all applicable federal and state posters with one click.
- Receive emails or Account Center alerts when labor law regulations change.

Use Business Forms and How-To Guides to:

- Download and print dozens of HR and general business forms.
- Pre-populate forms with basic company and employee information.
- Avoid common business practice mistakes with expert advice in our How-To Guides section.
- Download and print samples of important documents (employee handbooks, job applications, merit certifications, etc.).

Use Alerts and Reminders to:

- Stay organized with a calendar including events you create.
- Receive email reminders or Account Center alerts for payroll and non-payroll events.
- Track employees' birthdays and date-of-hire anniversaries.
- Add your own custom alerts and reminders to suit your business needs.
